Videography	_____	Other	_____

Total \_\_\_\_\_

**3** What do I have saved already? \_\_\_\_\_

**4** How much more do I need? \_\_\_\_\_

(Do some simple subtraction: Area 2 Total - Line 3 = Your Goal)

**5** How many months (or pay periods) do I have to come up with this money?

\_\_\_\_\_

**6** How much do I have to save each month (or pay period) to meet my goal?

(More simple math: Divide your total from Line 4 by your total from Line 5.)
