

MAKE INVESTING INTERESTING

Saving even 10 percent of an allowance and birthday gifts adds up big time! Put it away in a interest-accumulating account from kindergarten through high school, and your child will have a nice chunk of change available when it's time for college or the real world. Here's an example of how it can grow:

School Year	Allowance/year	10% Saved	Accumulated Interest (assuming 5.05%)
Kindergarten	\$52	\$5.20	\$5.46
1 st Grade	\$104	\$10.40	\$16.66
2 nd Grade	\$156	\$15.60	\$33.89
3 rd Grade	\$208	\$20.80	\$57.45
4 th Grade	\$260	\$26.00	\$87.67
5 th Grade	\$312	\$31.20	\$124.87
6 th Grade	\$362	\$36.20	\$169.42
7 th Grade	\$416	\$41.60	\$221.67
8 th Grade	\$468	\$46.80	\$282.03
9 th Grade	\$520	\$52.00	\$350.90
10 th Grade	\$572	\$57.20	\$428.71
11 th Grade	\$624	\$62.40	\$515.91
12 th Grade	\$676	\$67.60	\$612.98
