

## DIANA'S DEBT ACTION PLAN

Debt is like cholesterol. There's a good kind and a bad kind. Knowing the difference—and managing both wisely—is the key to financial well-being. Many people want to find a fast way to get their debt under control. But quick fixes such as a debt settlement plan don't address the long-term issues. The three things you need to do are: 1. Address the real problem. 2. Don't move the problem around. 3. Adjust your attitude toward spending.

- Stop Borrowing Money.
- Stop Purchasing Designer Items.
- Learn to Say "No" to Your Daughter.
- Stop Deferring Your Student Loans.
- Do Not Claim Bankruptcy.
